COVID-19 Alert Letter

RE: Notice of COVID-19 to Staff, Students and Visitors in Vauxhall Elementary School

Dear Parents/Guardians and Staff,

A case of COVID-19 has been diagnosed in an individual from Vauxhall Elementary School. We are working closely with Alberta Health Services to ensure necessary measures are in place to protect all students.

Parents/guardians of students, as well as staff who may have been in close contact with the case will receive an Alberta Health Services letter via the school.

We remind parents/guardians of students, as well as any staff/visitors/volunteers to monitor for any signs or symptoms of COVID-19. The Alberta Health daily checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school.

As a reminder, if you/your child has any of the symptoms of illness listed on the Alberta Health daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and stay home/keep your child at home.

We will continue to provide additional information to parents / guardians as it is available.

Sincerely,

Dr. Wilco Tymensen, Superintendent of Schools
