Fall Fun Festival and Pumpkins!

This year we celebrated a Fall Festival Day on October 29. The grade 5-6 classes designed and created some awesome fun activities and set them up around the gym. Then each cohort took turns in the gym enjoying the festival activities! Since it was raining we did draws for our pumpkins and everyone got a bag of treats! We saw a lot of smiling faces under those masks!

VAUXHALL
ELEMENTARY SCHOOL

Volley Ball Wrap!

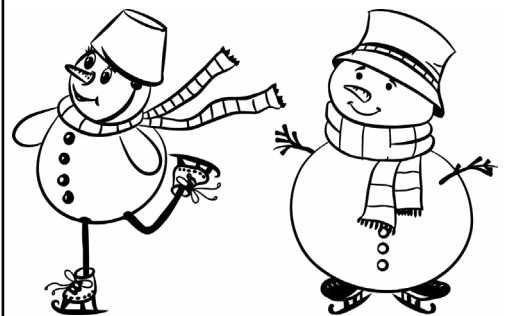

It was exciting to see our students donning their Tornado uniforms and hit the volleyball court to improve their skills and have some fun. Ms. Armstrong led the way by coaching our team and helping everyone develop their skills. Thanks to all the parents who could make it out to watch the final VES match up! We look forward to more after-school sports this year!

NOVEMBER/DECEMBER SKATING

Swish! The sounds of skates on ice returns to VES students in the near future! With the help of our U of L Professional Semester I student teachers (A.K.A.- skate tiers) we are able to take the kids to the rink and give them the experience of skating this year. Due to cohorting, we ask that parents don't stay in the rink to help tie or watch. If you wish, you can still help by dropping off your child's equipment at the rink. Watch for your child's skating schedule coming home soon.

THANK YOU!

- Ms. Armstrong for coaching after school Volleyball.
- Ms.Reiling, Ms.Fettig, Ms. Wolters and Ms. Brouwers for hosting morning run clubs!
- Our grade 5-6 students for planning and creating fabulous Fall Fun Festival activities!
