Inspire Us and We Will Inspire Others.

Orange and Grapefruit Sales

A Fundraiser for Extra-Curricular Equipment and Field Trips

This year we have a few special protocols to have a safe fundraiser.

- 1) Each family fills out only one order form sheet for their family's combined sales. Sales must be done by phone or email only. **Do not go door to door for sales or to collect payment.** Instead, phone or email your family and friends and fill out the form with all the information needed.
- 2) Ask each person who orders to **pay using Cashless payments** - Each family is responsible for filling in and collecting the payment through cashless interactions - via email transfer, unless it is a family member in their cohort. They may then send their order form to the school with a student along with one cheque for the full amount totalled on the form or email transfer us the total funds at ves.fund@hsd67.ca (please put the seller name in the email transfer notes) by January 12. All cheques must be made payable to Vauxhall Elementary School.
- 3) Delivery of the product will be at the school on a date yet to be announced. Each family will be given a scheduled pick up time for the orders they collected. As far as delivery goes, please follow current AHS guidelines and restrictions.

Seller Information Sheet

(The family collecting the orders) please fill out your name as well as your children's names and contact info here:

Parents' Names _____

Children's names: _____

Grades/ Teacher(s): _____

Email address: _____

Contact Phone Number: _____
